

**WAYNE COUNTY CLERK OF COURTS  
TIM NEAL, CLERK**

**MEMO:**

Date: December 8, 2009

To: All Attorneys and Pro Se Litigants

From: Dennis Archer

Subject: Personal and Private Information

---

It has come to our attention that there is some confusion concerning the Confidential Information Form we developed for your use. We inadvertently included a section for children's names and date of birth. Unlike Juvenile Court, children's names and date of birth are **not** confidential information as related to Domestic Relations Court and are not required on the Confidential Information Form. I have attached a new form for your convenience. We apologize for any confusion we may have caused. Please do not hesitate to contact me with any questions or concerns.

A handwritten signature in black ink, appearing to read 'D. Archer'.
